Thanks for you your call and for taking the time to seek background information. As I stated the RSL code amendments that were delayed the other evening apply to the entire County. Attached, please find:

- Chairman Lees newsletter regarding the status of senior housing ordinances in Cobb County
- 2015 ARC estimates, population by age and future forecasts
- Regional Aging Strategic Plan, updated July 2015
- A presentation from summer 2015 reviewing lessons learned on various issues including senior housing

Also visit these links below if you are interested in additional background information on the topic. I also suggest that you speak with Kathryn Lawler at Atlanta Regional Commission.
